Dear Professor Lederberg:

Many thanks for your letter of January 23. I trust that you got my cable saying that I will be in Stanford from Monday night (February 13.) and stay to the end of the week. Any time suitable to you suits me well so please do not make undue hurry in Washington. I will fly directly from Stockholm to Los Angeles and take my Washington time after San Francisco so we will not meet in Washington.

Looking forward to meeting you and Mrs. Lederberg soon, I am
with best regards,

Yours truly
